**Twitter** We have a brand new Twitter account set up for school, so that we can let you know the exciting learning taking place in our classrooms - as it happens. You can follow us @StErmeTrispen

Please note that photos that can identify children will not be posted on Twitter, and only first names will be used in any tweets if needed. If you have any queries, please do get in touch. These are the posting rules we follow on our Facebook page.

Facebook will continue to be used as a central information and messaging resource, with Twitter being used directly by classes to share learning experiences.

Do you have a child under the age of 3 for whom you would like a nursery place next year? Our numbers are already high for nursery in September, so to help us plan for our staffing and nursery provision please fill in an admission form at the office ASAP.

We have had a number of requests from parents for afternoon Nursery places in the last few weeks. To address this, we are hoping to be able to run a dedicated Nursery class both in the mornings and the afternoons from September. We are committed as a school to continually reviewing our provision to meet the needs of parents and children.

## Parent Questionnaire – March 2016

Please find below the results of our recent questionnaire to parents and carers. Thank you for providing your views – these help us in our school self evaluation. We are very pleased by your overwhelmingly positive responses which go to show what a happy and successful school community we have here at St Erme with Trispen.

We will review our policy on homework at a forthcoming staff meeting and address this concern.
