Twitter We have a brand new Twitter account set up for school, so that we can let you know the exciting learning taking place in our classrooms - as it happens. You can follow us @StErmeTrispen

Please note that photos that can identify children will not be posted on Twitter, and only first names will be used in any tweets if needed. If you have any queries, please do get in touch. These are the posting rules we follow on our Facebook page.

Facebook will continue to be used as a central information and messaging resource, with Twitter being used directly by classes to share learning experiences.

Parent Questionnaire - March 2016

Please find below the results of our recent questionnaire to parents and carers. Thank you for providing your views - these help us in our school self evaluation. We are very pleased by your overwhelmingly positive responses which go to show what a happy and successful school community we have here at St Erme with Trispen.

We will review our policy on homework at a forthcoming staff meeting and address this concern.
